

Tell me something about yourself:

Name:

Class:

Do you have an email account other than at the New School? If so, list it below.

Have you ever taken a college-level history class? Other relevant classes? Please list them below.

Describe your research experience in or outside of school? If none, that is ok.

What other intellectual, political, activist and/or creative interests do you bring to the group?

What experience do you have in your professional or personal life doing work on the web? If none, that's ok too.

What social media, mapping and other digital media platforms do you use already? List all of them here.

Which platforms do you particularly like or dislike? Why?
